IIT Guwahati offers various scholarships and financial assistance programs to support deserving and meritorious students. Here are different scholarship programs available at IIT Guwahati:

- Institute Merit Scholarship (IMS)

This scholarship is available for BTech/BDes/MSc/MA students of the institute. It is awarded to year-wise class toppers of all streams from the second year onwards. The scholarship includes tuition fee waiver and a fixed monthly stipend for eight months.

- Institute Merit-cum-Means (McM) Scholarships

These scholarships are awarded to BTech/BDes/MSc/MA students of the institute based on merit and means. Up to 25% of non-SC/ST students are eligible. The scholarship includes tuition fee waiver and a fixed monthly stipend for eight months.

- SC-ST Scholarships

These scholarships are awarded to all BTech/BDes/MSc/MA students from SC/ST categories. They include a fixed monthly stipend for eight months, free messing (basic menu), hostel seat rent waiver, and tuition fee waiver.

- Other Scholarships:

- Indian Women's Association, Bonn (IWAB) Scholarship: A scholarship for first-year undergraduate girl students based on merit-cum-means.

- Special Financial Assistance (SFA) Scheme: Financial assistance for financially challenged students, including stipend and tuition fee waiver.

- Endowment Scholarships: Scholarships funded by various sources, including alumni, organizations, and individuals.

- State Government Scholarships: Scholarships offered by specific state governments for eligible students from those states.

- External Scholarships: Scholarships offered by governmental and non-governmental organizations. IIT Guwahati provides support and guidance for applying to these scholarships.

In addition to the scholarships offered by IIT Guwahati, there are also private scholarships and government scholarships available, such as the Google Anita Borg Memorial Scholarship, Adobe Research Women-in-Technology Scholarship, Microsoft Imagine Cup Global Competition, Coca-Cola Scholars Program Scholarship, National Merit Scholarship Program, Fulbright Program, Erasmus+ Scholarship Program, and Chevening Scholarships. These scholarships have their own eligibility criteria and application processes.
